EXPERIENCE

- **Bridgeon Solutions**

Intern

In my career, I've consistently showcased strong analytical thinking and effective problem-solving, adept at crafting solutions even amidst challenges. With expertise in Responsive Web Designing, I guarantee seamless user experiences across devices. Leveraging Scrum Agile, I've developed web apps with collaborative results. My quick concept grasp drives success in the dynamic tech scene, backed by Git proficiency and hands-on work with JavaScript, React JS, Node JS, and Express for dynamic web solutions.
